DETAILED ACTION

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on July 11, 2007 has been entered. Claims 1, 2, 4-9, 11-16 and 21-32 are pending.

Response to Amendment

2. The rejections of claims 1, 2, 4-9, 11-16 and 21-32 under 35 U.S.C. 103(a) have been withdrawn in view of Applicant's amendment.

Response to Arguments

3. Applicant's arguments (remarks, pages 11-14) have been fully considered and are persuasive. The rejections of the claims have been withdrawn as noted above.

Allowable Subject Matter

4. Claims 1, 2, 4-9, 11-16 and 21-32 are allowed.

5. The following is an examiner's statement of reasons for allowance:

The prior art of record does not teach or reasonably suggest, in the manner and combination recited in independent claims 1, 2, 27 and 31, generating a configuration comprising a plurality of components each having an associated context, including the steps of storing the current context state, wherein the current context state represents the state of a context to which a

first component belongs and wherein the context represents a limitation of choices for components, changing the current context state to a context state corresponding to the context associated with the first component, installing the first component as part of the configuration, changing the configuration state to a second configuration state, and restoring the stored context state without changing the second configuration state, as reflected in Applicant's arguments (remarks, pages 11-14).

6. Any comments considered necessary by Applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

7. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Michael J. Yigdall whose telephone number is (571) 272-3707. The examiner can normally be reached on Monday through Friday from 7:30am to 4:00pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Tuan Q. Dam can be reached on (571) 272-3695. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
